# NETMI Accelerators

Use our unique accelerator system to increase daily interest and speed up the return of principal. Get various bonuses, and obtain internal NTM tokens, which you can sell later to receive even more profit.

## Accelerator Bonuses

Bonuses are credited right after you make a new stake using the accelerator.

### 1 » INCREASED PROFITABILITY

Increased rate of daily returns

### 2 » ALLOCATION OF NTM TOKENS

Provision of a certain number of custom NTM tokens.

### 3 » CASHBACK TO THE MAIN BALANCE

Refund of part of the funds to the main balance after new stake has been created.

### 4 » BONUS TO PREMIUM BALANCE

Receive a certain amount of premium bonus.

### 5 » STAKE AMOUNT BONUS (%)

Additional bonus as a percentage of the stake amount.

### 6 » BONUS TO THE STAKE AMOUNT (\$)

Additional cash bonus to the stake amount.

## Advantages of the NTM

The token rate grows on a daily basis. You can collect tokens, sell them later at a better price, and get additional profit.

After you purchase the accelerator, you will receive a certain amount of NTM tokens. These tokens are locked on a special account. As soon your accelerator is activated, the tokens will be unlocked and become available for sale. Each accelerator has its validity period. In case this period has expired, and accelerator has not been activated, your tokens will still get unlocked and you will be able to sell them any time as advantageous.
